### Who Are You Going to Call for Quotes from Fuel Cell Industry Leaders?

(Washington D.C. – November 15, 2005) The fifth edition of the US Fuel Cell Council's *Media Guide* is now available, featuring detailed listings for more than 115 key players in the fuel cell industry. The *USFCC Media Guide* is an essential resource, giving journalists and editors fast access to more than a hundred industry leaders.

The *USFCC Media Guide* provides detailed listings for more than 115 fuel cell developers and manufacturers, key component suppliers, fuel providers, end users, research institutions and governmental agencies. Each listing provides press and general information contacts, web site addresses, and a brief description of the company's fuel cell activities.

Journalists interested in receiving a free copy of the *USFCC Media Guide* may call the Council at (202) 293-5500 or email us at [germain@fuelcells.org](mailto:germain@fuelcells.org) with your name, affiliation and complete mailing address. Please specify whether you are interested in the "USFCC Media Guide Spiral-Bound Hard Copy" or "USFCC Media Guide CD-ROM" version.

*There is a \$20.00 charge for non-media wishing to receive a copy. A check payable to the "US Fuel Cell Council" should be sent with your request **and contact information** to: USFCC Media Guide, 1100 H Street, NW, Suite 800, Washington, DC 20005 USA. **NOTE: WE ARE UNABLE TO ACCEPT CREDIT CARDS.***

The US Fuel Cell Council is the voice of the fuel cell industry. For more information on USFCC, visit our web site at [www.usfcc.com](http://www.usfcc.com).
